*Admitted to God, to ourselves and to another human  
being the exact nature of our wrongs*

This is perhaps difficult, especially discussing our defects with another person. We think we have done well enough in admitting these things to ourselves. There is doubt about that. In actual practice, we usually find a solitary self-appraisal insufficient. Many of us thought it necessary to go much further. We will be more reconciled to discussing ourselves with another person when we see good reasons why we should do so. The best reason first: If we skip this vital step, we may not overcome drinking. Time after time newcomers have tried to keep to themselves certain facts about their lives. Trying to avoid this humbling experience, they have turned to easier methods. Almost invariably they got drunk. Having persevered with the rest of the program, they wondered why they fell. We think the reason is that they never completed their housecleaning. They took inventory all right, but hung on to some of the worst items in stock. They only *thought* they had lost their egoism and fear; they only *thought* they had humbled themselves. But they had not learned enough of humility, fearlessness and honesty, in the sense we find it necessary, until they told someone else *all* their life story.

**Treasurer's Workshop**

Dear Treasurers,

Welcome to the AA community of finance - thanks for being the key Trusted Servants who keep us mindful that the AA Basket is where 'spirituality and the real world' mix. AA Service Structures, and the InterGroup Office, could not function without your active participation.

The Workshop topics are: AA Service Structure Finance, Group Treasurer practice, Intergroup Treasurer, banking activity, and accounting activity. This is a participative workshop for those with treasurer experience in the program to share their practical experience. Participants are encouraged to bring samples of their treasurer records to show other participants. Members of the program who are interested in serving as Group Treasurer, Intergroup participants, or other AA activity treasurers are also very welcome to attend.

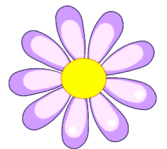

The InterGroup facilitator will first share past experience in the group treasurer position and ask others in the workshop to do the same. Second, any experience as intergroup treasurer and ask others to do the same. Third, experiences with banking at those two levels. Fourth, experiences with accounting and reporting at those two levels. The idea is, get discussion and sharing going on each topic by sharing personal experience with specific treasurer tasks and activities, then throw it open to sharing and discussion from all treasurer-experienced participants.

Coffee provided, pot-luck lunch encouraged!

**The Fifth Tradition**

*Each group has but one primary purpose  
...to carry its message to the alcoholic who still suffers*

**I am responsible.**

**When anyone, anywhere,  
reaches out for help, I want  
the hand of AA always to be there.**

**And for that: I am responsible.**

No matter how different our own personal concerns,

we are all bound together by one common responsibility....

...to carry the message to the suffering alcoholic

Darcy S.			

The Steering Committee minutes for March 13, 2017 were read. Motion by Robert; seconded by David. Approved.

The Intergroup Rep meeting minutes for March 20, 2017 were read.

**HOTLINE REPORT:** Please continue to announce in Home Groups our continued need for 12 step volunteers. Volunteers may call our Intergroup Office to sign up.

**TREASURER'S REPORT:** Treasurer's Report reviewed by Steering Committee. Questions asked and answered as follows: \$500 was transferred from the checking account to prudent reserve. Actual checking account balance is approximately \$5,900 after said transfer. The transfer will be reflected in April's Treasurer's Report. Marcy explained since checking account balance is currently higher than usual, no transfer made into payroll tax account. (Transfers are typically made every 2 weeks into the payroll tax account.)

"Event Account" indicates a balance of \$1,250 Breakdown: \$1,400 less \$50 for 2017 reservation deposit and \$100 non-refundable deposit for 2016 picnic reservation. The non-refundable deposit was forfeited when the picnic location was changed. Virginia moved, David seconded. It was passed to just -0- out the Event Account at the end of 2017 Picnic and leave \$1 ,400 in the Event Account for the upcoming Gratitude Dinner. Motioned by Beci, seconded by John. Treasurer's Report approved.

**INTERGROUP REPORT:** Total incoming telephone calls to our Intergroup office for March 101; 50 of which were general/office inquires, 46 requests for meetings, and 5 were 12 step calls. Landlord will be working on possible renovations to our building. Appropriate transfers were made into Sales Tax Account and Prudent Reserve.

**WEBSITE REPORT:** Calendar of events is now downloadable. In March we had 459 new viewers, of which 2 were from Brazil, 3 from China, and 29 from Canada. Plus 875 return viewers. David of the Lighthouse advised that they were working on a website for their Home Group, and asked if they could include useful links on their website, such as [vancouveraa.org](http://vancouveraa.org). Yes was the answer, as our website also includes useful links for viewers.

### OLD BUSINESS:

**Income From 2016 Gratitude Dinner:** Regarding missing receipts from 2016 Gratitude dinner, John moved, Robert seconded motion to remove "Missing Receipts" of November 2016 Gratitude Dinner be removed from the meeting agenda. Justification is that we presume the money was properly spent and enough time has passed since the event that there is no point continuing to discuss the failure to submit receipts. Passed. Going forward the policy is that receipts are required for reimbursements. Darcy shared that if an AA member does not have the financial flexibility to front the money for a purchase they can go to most stores and essentially do a "layaway". The store will give the person a receipt which can be turned into the event treasure for cash, then they can return to the store with the money and pick up the goods

Of the \$1360.00 netted from the 2016 Gratitude Dinner, the Steering Committee has transferred \$500.00 into the Prudent Reserve thus far.

Laurie and Darcy shared their experience with former Gratitude Dinners. Marcy will do a comparison chart in relation to former years' expenses with the goal of understanding why the net has been declining. John asked if Laurie and Darcy could share their experience so that the Steering Committee can compare former years with the current year.

Review of 2016 Motions: Matter tabled until April's Steering Committee so the Committee may further review Summary of 2016 motions.

#### COMMITTEES:

##### Finance Committee:

Budget: Greg of the Finance Committee was absent but provided a graph indicating income comparison reflecting sales and Group contributions. Jeff advised income shown from sales was "net" income in sales (excluding cost of product).

Vancouver Area Intergroup Pamphlet: Will be discussed at another meeting when Greg is present

#### NEW BUSINESS:

Gratitude Dinner: We're looking for a cook for our dinner. We will check out the capacity of other possible locations for our 2017 Gratitude Dinner. The Wayfarers location was a suggestion.

##### Job Description

Beci discussed change in salary verbiage to remove "cola" language.

Change will be presented to Reps to take back to their Home Groups. This change is being requested because the Steering Committee believes the job description as written, is confusing and prevents the Steering Committee from doing the job which Intergroup has delegated to them.

##### Treasurer's Workshop

Jeff reported some Groups have shown an interest. Districts and Intergroup would work together to present the workshop.

Other Central Offices: John handed out examples of the Montgomery Alabama Central Office's meeting schedule and a Central Office (Intergroup) that is run on a volunteer basis with very little expenses.

Average Checking Account Balance: Virginia provided documents indicating \$2,500 is the average monthly checking account balance over the past 12 months.

Meeting adjourned at 7:15 p.m.

Yours in Service,

Virginia E.,

Recording Secretary

11 Reps present

The Intergroup Rep meeting minutes for March 20, 2017 were read and approved.

The Steering Committee minutes for April 10, 2017 were read.

### HOTLINE REPORT:

The Sunday morning time slot from 9:00 am – 12:00 pm (noon) is going to be opening up.

### TREASURER'S REPORT:

Groups were informed that the \$100 deposit from the 2016 Intergroup picnic will not be refunded as it was forfeited when we changed locations.

March's Treasurer's report was given. Robert motions to approve, David 2<sup>nd</sup>. Passed

### INTERGROUP REPORT:

Calls into the Intergroup office for March totaled 101; 50 of which were general/office, 46 meeting requests, and 5 were 12 step calls.

The landlord is looking into possible renovations to the building.

Jeff spoke regarding how often the phone lines are down in the office and informed the Reps that the Steering Committee has chosen to switch carriers to Comcast. The office will be saving \$50-\$60 a month for the next 3 years by switching to Comcast. The only concern brought up was the leasing of the modem. It was explained that we might choose to purchase a modem down the road but for now we want to get everything set up and verify there will be no problems with the new carrier.

### WEBSITE REPORT:

We had 459 new visitors and 875 returning visitors to the website in March. 29 visitors were from Canada, 3 from China and 2 from Brazil. The calendar of events is downloadable.

### COMMITTEES:

#### Finance Committee:

Budget: Greg presented a graph with first quarter figures and comparison's. He noted that the major expenses are Cost of Goods Sold and Sales Tax. Greg mentioned that we will be begin working on the 2018 budget this summer

Treasurer's Workshop: Workshop to include information on banking, liabilities, contributions etc. Greg is working on getting some Reps from area to participate. Greg suggested June 3<sup>rd</sup> as a date for the workshop. He will write something up and email to the office information to put in the upcoming Newsletter.

### Gratitude Dinner:

The dinner's budget was brought up with the issue that the costs to provide what Intergroup is trying to provide has increasingly gone up while the budget amount has not. Currently the budget is \$1,400 and for several years we have spent more to cover all the costs. Darcy mentioned that the \$1,400 does not include the cost of the facility. There was discussion on what previous chairs have spent in the past, both through the Intergroup and out of their personal pockets. Robert motions to table discussion to gather more information. David 2<sup>nd</sup>. Passed

Marcy will prepare a cost comparison spreadsheet of the expenses incurred to put on the dinner throughout the last 5 years. Darcy will email her figures to the office for review/comparison as well. Will have a report for next month's meeting to discuss further.

### **OLD BUSINESS:**

Warren, District 37 CPC/PI chair, visited and spoke further to the possibility of a Billboard inside a C-Tran bus. Still unsure if there will be a cost or not. There was discussion on whether the hotline number would be used or not and what exactly the sign should say. The Districts are looking for suggestions so the Reps were asked to consult with their groups and bring back their thoughts/opinions. We will continue to be informed on the projects progress.

### **NEW BUSINESS:**

Reps were presented with a change to the office manager job description, which removes conflicting verbiage. The job description dictates performance reviews and performance raises then limits any increase to SSA COLA. It was noted that last year COLA was ø (zero) and this year it is \$0.04. Reps will discuss with their home groups for voting at next month's (May) meeting.

A schedule from Montgomery Alabama was included in the meeting packet. The schedule is oriented to show each group and their meeting times throughout the week in a table format verses our schedules which are oriented around day of week and time of day. There was discussion how this might help strengthen groups by making them more visible. There was also discussion about aligning the schedule to be more geographic specific. Darcy stated this was a common format on the East Coast. Two general opinions emerged. 1) If it ain't broke don't fix it. 2) Orientation around groups is easier to read and use. It was suggested changing the schedule might make it less expensive to print. Jeff requested all reps take this back to their groups for discussion and Marcy prepare a sample for review at May's meeting.

Meeting adjourned at 7:35 pm with the Lord's Prayer

Yours in service,  
Marcy B.
